POV DIVE BUOY

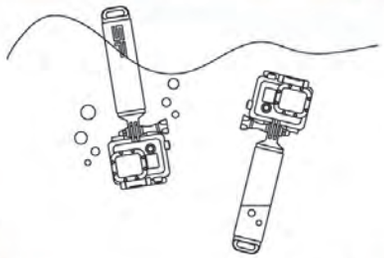
GTS53005

BUOY GTS53000

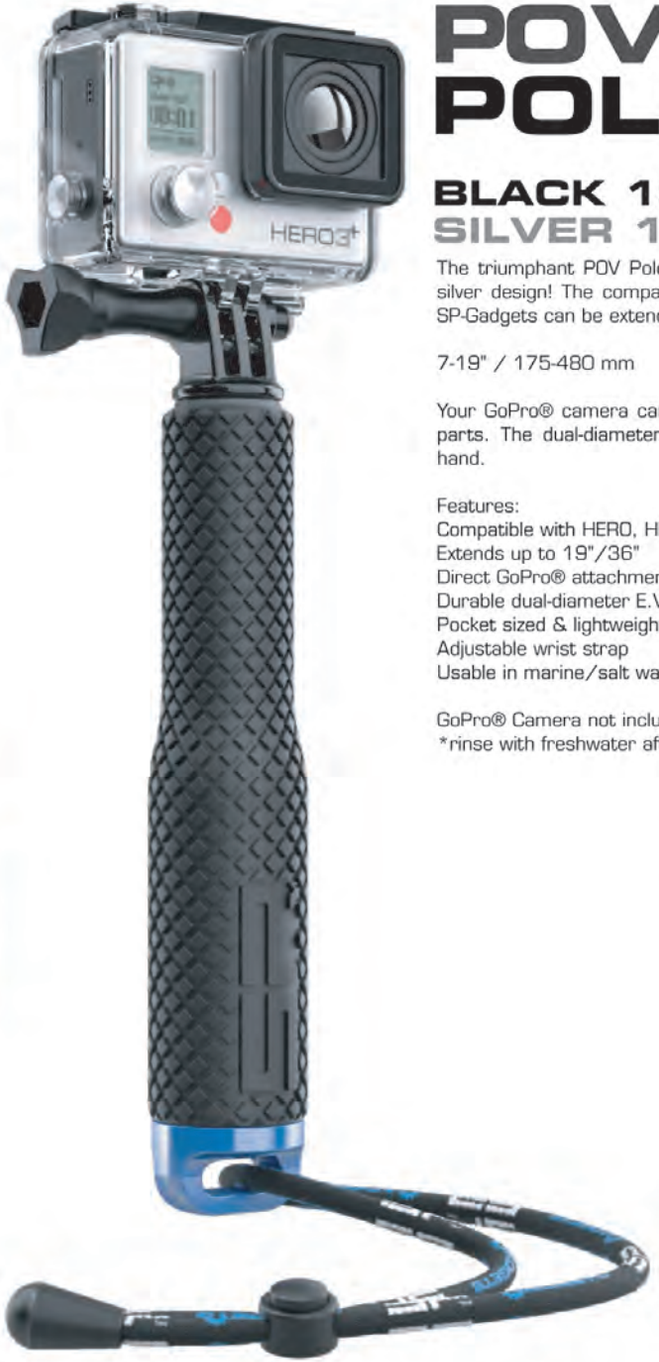
The multi-purpose camera handlegrip with added features. Aside from great control when filming and keeping your camera afloat if you drop it into water, you can now fill the handle with water to create neutral buoyancy when scuba-diving. If you are not underwater you might even want to use the watertight compartment to keep a little something hidden and dry.

Features:
Compatible with HERO, HERO2, HERO3, HERO3+ and HERO4 cameras
Floats Camera + Bacpac
Screwable Water-tight Endcap
Direct GoPro Camera Attachment
Super-Comfortable EVA Grip
Pocket Sized & Lightweight
180° Tilt Head
Adjustable Wriststrap Included

GoPro® Camera not included.



floating or
neutral buoyancy



POV POLE 19"

BLACK 19" GTS53010
