

Take Hoff 2K21 : LONGBOARD SKATES

ALL THE THRILLS OF SURF ON CONCRETE

#SENSATIONS #SHARING #FUN #EXPLORATION #FREERIDE #SURF

Rooted in the curves of the Basque mountains, relatives values of nature and the ocean, Flying Wheels Skateboarding was born in the Basque Coast in 2003. The long ballad sessions along the ocean, sharing longboard friends inspire us every day. Flying Wheels wants to offer the best products at the best price, for riders of all levels , from beginners to perform downhill.

The new reference in longboard wheels.
We developed a special urethane formula
that delivers awesome properties.

The 78AA will bring you perfect grip and
relaunch, while the 83AA will make your
board slide like nothing.

Combined with our brand new Spine Hub,
these wheels offer optimum control and
regular wear.
