ALL ROUND FIN

Sizes: S: 4.37" / M: 4.57" / L: 4.65"

Colors: Black - Blue - Smoke

FEATURES:

Foil: Flat side
Base: to fit Futures or FCS
Honeycomb core

This is the go to fin for most boards in almost any waves. It has a fairly upright shape, with a wide base and medium wide tip. It feels predictable, powerful and forgiving – able to generate speed and drive through turns but release for manoeuvres and direction changes. This makes it especially good when the conditions are less than perfect. It's versatility also makes it an ideal front fin set in either Thruster or Quad.

Ideal board:
Most shorter boards. Can be used on 3 fin midlength and performance longboards.

Ideal conditions:
All, but excels in average waves.

AMDF2003 - FUTURES BASE (FX1)
AMFF2003 - FCS BASE (FX2)

PERFORMANCE FIN

Sizes: S: 4.41" / M: 4.57" / L: 4.72"

Colors: Black - Blue - Smoke

FEATURES:

Foil: Flat side
Base: to fit Futures or FCS
Honeycomb core

As the name suggests this is a fin for good surfing in good waves. The longer rake and narrower tip means this fin feels engaged – designed to hold a high line in a barrel and for rail to rail surfing at high speed. Best in powerful waves, the faster you go the better they feel.

Ideal board:
Performance shortboard, step up board.

Ideal conditions:
Good or powerful waves any size

AMDF2004 - FUTURES BASE (FX1)
AMFF2006 - FCS BASE (FX2)

QUAD REAR FIN

Sizes: 4.05"

Colors: Black - Blue - Smoke

FEATURES:

Foil: 50/50
Base: to fit Futures or FCS
Honeycomb core

Our Quad rear fin set is designed to run with our All Round front fins or most 'standard' fin sets. Best described as well balanced, the fin is designed to enhance the best aspects of a quad – drivey power through turns, but still loose and skatey on the flats.

Ideal board:
Any 5 fin or Quad.

Ideal conditions:
All wave types

AMDD2004 - FUTURES BASE (FX1)
AMFD2005 - FCS BASE (FX2)

TWIN FIN

Size: 5.14"
Colors: Black - Blue - Smoke

FEATURES:

Foil: Flat side
Base: to fit Futures or FCS
Honeycomb core

Designed to add drive and stability to single fin set-ups, our sidebite has a wide base with a fairly neutral tip. This fin style creates a dynamic 2+1 set up for powerful carves and tighter turning.

Ideal board:
Mid-length and modern longboards

Ideal conditions:
Knee high waves and above, especially less than excellent conditions.

AMDD2005 - FUTURES BASE (FX1)
AMFD2006 - FCS BASE (FX2)

2 STYLES AVAILABLE
TO FIT:

FUTURES

FCS

SIDE BITES

Size: 3.57"
Colors: Black - Blue - Smoke

FEATURES:

Foil: Flat side
Base: to fit Futures or FCS
Honeycomb core

Designed to add drive and stability to single fin set-ups, our sidebite has a wide base with a fairly neutral tip. This fin style creates a dynamic 2+1 set up for powerful carves and tighter turning.

Ideal board:
Mid-length and modern longboards

Ideal conditions:
Knee high waves and above, especially less than excellent conditions.

AMDD2006 - FUTURES BASE (FX1)
AMFD2007 - FCS BASE (FX2)

LONGBOARD FIN

Sizes: 4.6", 6", 7", 8", 9"
Colors: Black - Blue - Smoke

FEATURES:

Foil: 50/50
Base: Standard longboard
Solid fiberglass

Our Longboard fin template is a balanced all round shape creating a fin to suit most mid-lengths and longboards in most wave conditions. The wide base generates predictable drive with a medium wide tip for smooth turns and fluid manoeuvrability.

The small sizes are excellent for smaller egg or high performance longboards running 3 similar size fins. The medium to larger fins are great as 2+1 or single fins on mid length up to longboards.

Ideal board:
Suitable for most egg, mid-length and modern longboard.
Larger sizes can be used as single fin

Ideal conditions:
All - the balanced fin style feels predictable and reassuring in any waves.

AMIB2025 - US BOX

COMP LEASH

Sizes: 5' - 6'
 Colors: Black - Blue - Orange

FEATURES:

- 6mm / 1/4" Urethane Cord
- Double Stainless Swivels
- 2" Rolled Neoprene Cuff
- 1" Triple Closure Rail Saver
- Woven Size Label
- Quick Release Pull Tab

Designed for small boards and small waves, the comp is a performance leash. The high quality 6mm urethane cord and 2" Lycra bound neoprene cuff is designed to be lightweight and minimal drag - for performance surfing or small waves. The stainless swivels keep it tangle free when it counts.

ACCA05005 - 5'
 ACCA06014 - 6'

PREMIUM LEASH

Sizes: 6' - 7' - 8' - 9' - 9' CALF
 Colors: Black - Blue - Orange - Seagreen

FEATURES:

- 7mm / 9/32" Urethane Cord
- Double Stainless Swivels
- 2.5" Rolled Neoprene Cuff
- 1.25" Triple Closure Rail Saver
- Woven Size Label
- Quick Release Pull Tab

As its name says - designed with the best in mind. Our Premium leash has the highest quality 7mm urethane, a super comfortable 2.5" Lycra bound neoprene ankle cuff, stainless steel swivels, molded cord ends and a triple locking rail saver. This is a high quality leash with excellent attention to detail.

ACCA06015 - 6'
 ACCA07007 - 7'
 ACCA08008 - 8'
 ACCA09009 - 9'
 ACCK09005 - 9' CALF

BIG WAVE / SUP LEASH

Sizes: 6' - 7' - 8' - 9' - 10'
Colors: Black/Yellow

FEATURES:

- 8mm / 5/16" Urethane Cord
- Double Stainless Swivels
- 2.5" Rolled Neoprene Cuff
- 1.25" Triple Closure Rail Saver
- Woven Size Label
- Quick Release Pull Tab

Our more durable leash for when you need it most. An 8mm cord is connected via stainless steel swivels and molded connectors to a secure triple lock rail saver and generous 2.5" neoprene padded ankle cuff.

ACCA06018 - 6'
ACCA07010 - 7'
ACCA08009 - 8'
ACCA09010 - 9'
ACCA10003 - 10'

EXTRA STRONG LEASH

Sizes: 7' - Black/Orange
8' - Black/Red

FEATURES:

- 7mm / 9/32" Urethane Cord
- Single Stainless Swivels
- Fixed Stand off at Ankle
- Embroidered Logo
- 2.5" Rolled Neoprene Cuff
- 1.25" Triple Closure Rail Saver
- Quick Release Pull Tab

Designed specifically for surf schools and surfboard hire outlets, an extra strong leash for the boards that take the most wear and tear. A 7mm cord and triple layer rail saver is upgraded with a fixed stand off to reinforce the most common point of breakage at the ankle.

ACCA07008 - 7' - BLACK / ORANGE
ACCA08010 - 8' - BLACK / RED

BODYBOARD LEASH

Sizes: 4' Cord Small Cuff / 4' Cord Medium Cuff
Colors: Black - Blue - Orange

FEATURES:

- 7mm / 9/32" Coiled Urethane Cord
- Double Stainless Swivels
- 2" Rolled Neoprene Cuff
- Bicep Cuff
- Quick Release Pull Tab

Featuring all the best components and highest quality materials. The cord is 7mm urethane with a 32mm diameter coil, attached with stainless swivels at both ends and double stainless rings at the Lycra bound neoprene cuff.

ECB004 - 4'

 TRACTION

2 PIECE TAIL PAD

Colors:

- Black
- Black/Blue
- Black/Orange
- Black/Seagreen

FEATURES:

- 2 Piece Design
- No Arch
- 20mm Kick Tail
- Square Groove
- 3M Glue

Designed for wider tailed boards and fishes.

The 2 piece is designed for wider tailed boards. The pad is flat with no arch, featuring our lowest kick tail and square grooving to allow easy movement and repositioning of the back foot. This is a great pad for boards that are surfed less aggressively; fishes and skatey boards, particularly where you are surfing fairly front footed to gain speed and need adjust your position on the board. It offers plenty of grip when you do lean into a turn and push hard through the tail.

All ROAM pads are highest quality EVA with 3M glue.

AJL2003

2+1 PIECE TAIL PAD

Colors:

- Black
- Black/Blue
- Black/Orange
- Black/Seagreen

FEATURES:

- 2+1 Piece Design
- No Arch
- 20mm Kick Tail
- Square Groove
- 3M Glue

Designed for wider tailed boards and fishes.

The 2+1 is our super versatile Fish pad. The shape suits any Fish with a deep swallow tail - use it as a 2 piece pad for a medium wide tailed fish, or use the wedge centre piece in either 180o position for a wide or extra wide tail. The pad is flat with no arch, our lowest kick tail and square grooving designed for easy movement and repositioning of the back foot for front foot fish surfing, but plenty of grip when you lean into a turn and push hard through the tail.

All ROAM pads are highest quality EVA with 3M glue.

AJL2005

3 PIECE TAIL PAD

Colors:

- Black
- Black/Blue
- Black/Orange
- Black/Seagreen

FEATURES:

- 3 Piece Design
- 5mm Arch
- 25mm Kick Tail
- Diamond Groove
- 3M Glue

Designed for most board shapes.

3+ PIECE TAIL PAD

Colors:

- Black
- Blue
- Orange
- Seagreen

FEATURES:

- 3 Piece Design
- 7.5mm Arch
- 30mm Kick Tail
- Diamond Plus Groove
- 3M Glue

Designed for performance surfboards

The 3 piece is your all round pad. It is a medium size with our middle height arch, middle height kick and a diamond cut texture. It has plenty of grip; providing a secure feeling but without too much of a locked in feel allowing some foot adjustment. It is a versatile pad for most boards - the 3 piece cut spreads to fit most tail widths, including mid-lengths - and the design suits most surfing styles, from performance to cruiser.

All ROAM pads are highest quality EVA with 3M glue.

AJL3007

The 3+ piece is our aggressive pad - designed for high performance surfing. The texture is our most grippy Diamond Plus. Combined our highest 7.5mm arch and 30mm tail kick, it's designed for maximum locked in feel. Best for short boards, this is for boards ridden in better waves or hard off the tail. Best for advanced surfers looking for maximum hold to enable airs and tight pocket surfing.

All ROAM pads are highest quality EVA with 3M glue.

AJL4003

PLASTIC FREE PACKAGING

In 2021 all ROAM tail pads will be packaged in plastic free recyclable boxes.

To ensure good customer facing experience the box has a window to see and feel the texture and all product features detailed on the front and described on the back. Also a clear step by step illustrated instruction on how to apply the pad.

For easy storage and identification the pad model and color is shown on the base and sides.

The box can be stacked on a shelf, with the model and color shown or hung on a slat wall.

BOARD COVERS

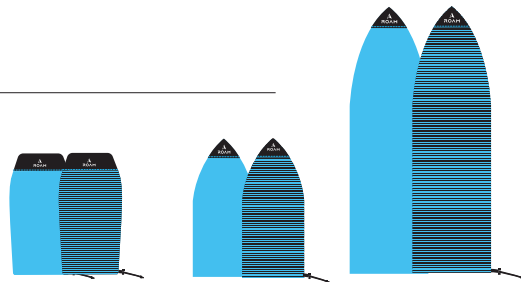

BOARD SOCK

NEW 2021 PLUS OPTION

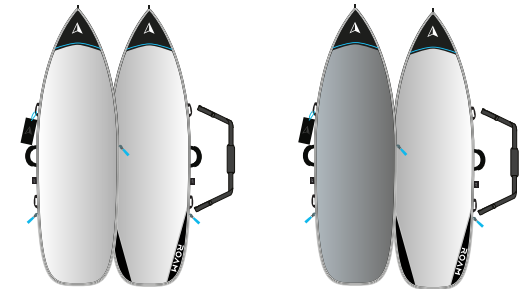

Durable 600D side

DAYLIGHT +
 AFAF019 - SHORTBOARD
 AFAH011 - FISH/HYBRID
 AFAK011 - FUN
 AFAP013 - LONG

FEATURES:

- 5mm High Density Padding
- Water and Wax Proof Interior Poly tarp
- Extra Reinforced Nose and Tail
- Removeable Buckle Free Shoulder Straps
- Corrosion Free Zippers
- Heat reflective Silver Poly tarp
- Durable 600D side (only Plus model)

DAYLIGHT - Silver both sides

DAYLIGHT PLUS - 600D one side

The Daylight has features not usually found on lighter weight boards bags. Our daylight features 5mm high density padding throughout, heat reflective material outside and wax resistant material inside. The handle is a generous padded carry handle and the strap is buckle free and removable for travelling. The zip is much longer than most other bags, extending up to the handle on one side, so removing waxy boards is easy. Tail darts enable boards to be stashed with or without fins. These are great bags for daily use or extra padding inside a coffin bag.

Our bags are cut longer so a bag will fit the board that it is labelled for, ie a 6'8" bag will fit any size up to and including 6'8". The cut is slightly wider in the tail than our Tech bag do you can chuck in a wetsuit or put your board in a board sock for extra protection.

TECH BOARD BAG

AFAF014 - SHORTBOARD 5'8" / 6'0" / 6'4" / 6'8"

FEATURES:

- 10mm High Density Padding
- Ripstop Nylon Side
- Water and Wax Proof Interior Poly tarp
- Removeable Strap
- Padded Carry Handle
- 3 x Shoulder Strap Loops
- Extra Reinforced Nose and Tail
- Expanding Fin Area
- ID Badge
- Ventilation
- Wetsuit Pocket
- Corrosion Free Zippers
- YKK Molded Zip (only Plus model)
- 420D Silver side (only Plus model)

TECH - Silver ONE SIDE

TECH PLUS - 420D one side
- YKK MOLDED ZIP

This is our flagship product with all of the premium features, quality and design detail that we build into all of our products. The Tech is a seriously feature rich, high spec bag. 10mm of high density padding and ripstop nylon ensure maximum protection, while the silver polytarp side and ventilation keep your boards cool. The tail area is able to expand to accommodate boards with fins or fold flat for travelling. The buckle free removable shoulder strap has 3 attachment points so you can adjust the balance of the bag if carrying a wetsuit in the wetsuit pocket.

This is best bag for anyone looking for extra board protection day to day or for a strike surf mission when travelling light. Our bags are cut longer so a bag will fit the board that it is labelled for. ie a 6'8 bag will fit any size up to and including 6'8.

COFFIN BOARD BAG

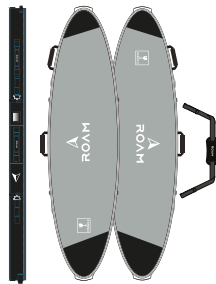

AFAF018

6'3" / 6'6" / 7'0" / 7'6" / 8'0" (to fit 3-4 boards)
8'6" / 9'2" / 9'6" (to fit 2-3 boards)

FEATURES:

- 10mm High Density Padding
- 600D Sides
- Extra Reinforced Nose and Tail
- Removeable Buckle Free Strap
- 2 Padded Carry Handles
- 2 Grab Handles and 4 Utility Loops
- 4 Compression Straps
- Heavy Duty Moulded Zippers
- ID Badge
- Ventilation
- Internal Board Straps
- Includes Internal Inlays
- 7 Internal Pockets

Designed with utilitarian simplicity this is a bag with many hidden features; everything you need and nothing you don't. Externally it is very simple - hardwearing 600D nylon and webbing over 10mm high density padding with reinforced sidewalls and additional nose and tail protection. There are 2 grab handles at the nose and tail plus 2 padded carry handles on the top and slightly forward for dragging the bag. The shoulder strap is buckle free and removable plus there are 4 utility loops for maximum securing. Inside are securing straps and inlays for keeping your boards separate, plus 7 internal pockets for surf essentials like wax. The zippers are heavy duty, corrosion free plastic moulded zips and zip pulls.

This is understated design; pure function and practicality when you need it most. Designed to accommodate 3-4 boards in sizes up to 8'0 or 2 boards for 8'0 plus. The bags are cut long to allow for extra padding or boards packed inside day bags.

COFFIN WHEELIE BOARD BAG

AFAH010

6'6" / 7'0" / 7'6" / 8'0" (to fit 3-4 boards)

FEATURES:

- Built in 'High Roller' wheels
- Additional internal wheel padding
- 10mm High Density Padding
- 600D Sides
- Extra Reinforced Nose and Tail
- Removeable Buckle Free Strap
- 2 Padded Carry Handles
- 2 Grab Handles and 4 Utility Loops
- 4 Compression Straps
- Heavy Duty Moulded Zippers
- ID Badge
- Ventilation
- Internal Board Straps
- Includes Internal Inlays
- 7 Internal Pockets

Our Wheelie Coffin takes our full spec Coffin to next level utility.

Featuring all of the utilitarian features from our Coffin, the wheelie has our 'High Roller' wheel system - a larger wheel size and increased wheel clearance plus 2 heavy duty runners avoid the dreaded bag drag and keeps the base free from wear.

This is understated design; pure function and practicality when you need it most. Designed to accommodate 3-4 boards in sizes up to 8'0. The bags are cut long to allow for extra padding or boards packed inside day bags.
